USACE/FEMA Senior Leaders' Seminar

FEMA

March 6-7, 2007
Lansdowne, VA

Concept of Operations

- Two Phases
 - One
 - Data collection
 - Impact assessment
 - Resource gaps understood
 - State and Federal capability analysis
 - Two
 - Workshops with local entities
 - Goal – develop/enhance annexes to existing base plans
 - When annexes are ready for incorporation into base plans, a scenario-based tabletop to examine and evaluate the annexes
